CONSUMER FINANCING, CREDIT CARD SERVICES, FURNITURE AND BEDDING

FROM THE DESK OF KEN MIELE

Over the last 2 weeks Mike and I have had ongoing discussions with the Nationwide Marketing Group (Nationwide) to maintain an alliance for consumer financing, credit card services, furniture and bedding.

We recognize this is important to some of our members and have come to an agreement with Nationwide that those members who want to continue to use Wells Fargo, Synchrony, credit cards and the furniture/bedding programs of Nationwide this alliance will allow you to continue to do so. This is in effect immediately.

As a member of ADC this agreement provides you with **three** consumer financing options (Citi, Wells and Synchrony) allowing you to choose the one that works best for your business.

You will also have access to other Nationwide services that you may have used in the past on an a la carte basis. Pricing for these services will be posted on the Nationwide Membernet site.

If you choose to purchase furniture and bedding through Nationwide you will not have access to the NECO furniture and bedding programs.

Please contact your facilitator if you have any further questions.

YOU CAN COUNT ON US!!!
