A Dealer may apply for a credit research request for up to one year from the date of invoice. Show Display Allowances and Cash Discounts can be researched for up to 18 months from the date of the show. Any research requests that extend beyond these time limits will not be honored.

By submitting this request, I agree that a Research Fee of \$50 will be charged for any request to ADC to research an “**unissued**” vendor credit if the credit was found to have already been issued to the dealer either by ADC or by the manufacturer directly. **Please note, SMIW and SDDA screens will allow you to research these matters yourself at any time.**
